VINYL STREET POLE BANNERS

Taking a design from your imagination to the final product has never been easier! Our digital process 15oz opaque vinyl street banners are double-sided and offer a wide scope of visual design possibilities, resulting in banners that will “knock your socks off”. You can use our digitally printed street banners to continue the theme of a large banner installation, to remind people of special events or celebrate holidays - or just to add a splash of color and flair to a shopping district or neighborhood. Each banner comes finished with 3” standard sewn sleeves at the top and bottom, with adjacent brass grommets on one side. Optional cut wind-vents are available at \$6.00 per vent.
